Sir

With reference to your letter No L 7379 dated 8-5-1929 and subsequent reminders directing the Shimoga Town Municipal Council to

1 Rs 5000/- balance due towards the full payment of Rs 75 000/-	place at once at the disposal of the Executive Engineer Water
2 Rs 3294/- two third of the cost of the supplemental estimate	

Supply Division,Bangalore, a sum of Rs 8294/- as detailed in the margin due from Shimoga Town Municipal Council on account of the improvement of Shimoga Town Water Works I have the honour to submit herewith a copy of the President's letter No 229/20-9-29 together with the copies of the resolutions of the Council and to state that balance of Rs 3500/- has been paid in full settlement of the estimate for Rs 75 000/- As regards the Municipal Share by the supplemental estimate for Rs 4941/- sanctioned in G O No L 6711-13/M1 117-28-7 dated 11-4-1929 the Council propose that in view of the poor financial condition of the Municipality 1/3 of this estimate amounting to Rs 1647/- may be paid by the Council instead of 2/3 amounting to Rs 3294/- as ordered in the G O referred to above and the balance paid by Government In consultation with the Executive Engineer Water Supply Division, at their special meeting held on 15th August 1929 the Council agreed to pay 1/3 of the supplemental estimate and subsequently it was paid to the Executive Engineer in cheque No 47/27-8-1929

The Council further urge that as the scheme was expected to

be kept within the original sanctioned estimate and hence they now find it hard to get funds for payment of 2/3 of the estimate i e ,Rs 3294/- The Budget of the Municipality shows a minus balance of Rs 2415/- as per G O No L 1267-68/M1 235-28-106 dated 16-8-1929 and even if the sum of Rs 10587/- which is invested in the Government Savings Bank deposit is transferred to the current account, it will not raise the closing balance to the prescribed minimum The estimated expenditure under several heads is just sufficient to meet the pressing demands The Council have to allot nearly Rs 13,000/- towards payment of loans and to find funds for urgent works in connection with the Viceregal Visit and general improvements in the town

In submitting these facts for the favourable consideration of Government I request you to kindly obtain sanction of Government to the resolution of the Council dated 30th May 1929

Adverting to Government Order No L 6711-13 Ml 117-28 -7 dated 11th April 1929 sanctioning a supplemental estimate for Rs4041/- in connection with the water supply Improvement scheme and directing that two thirds of the cost thereof be met out of Municipal Funds, I have the honor to state that the subject was considered by the Municipal Council at their meeting held on the 30th May 1929 and at a special meeting on the 15th August 1929 which was convened for the purpose of considering the questions relating to the Improvement work now completed and the works still necessary to ensure a satisfactory supply of water to the town

With regard to the meeting of the two thirds cost of the supplemental estimate, the Council feel that the amount is too heavy to be met out of Municipal Funds and request that the Government may be pleased to pay at least 2/3 of the cost allowing the Municipality to pay the remaining 1/3 of the cost ~~allowing the Municipality to pay the remaining 1/3 cost~~ in view of the stringent condition of the Municipal Finances The Executive Engineer, Water supply Division who was present at the special meeting having urged that the contractors claims were pending for a long time and the Department was being dunned for payment, it was resolved that the one-third Viz, Rs1647/- be paid at once Accordingly a cheque No 47 of 17-8-29 was issued in favour of the Executive Engineer with a request that the Chief Engineer also may be requested to kindly recommend to Government for taking this amount as the Municipal share of the supplemental estimate in question

I request the favour of your kindly recommending to Government that the proposals of the Council may kindly be

be sanctioned

Copies of the resolutions referred to above are enclosed herewith together with the original Government Order of the 11th April 1929 sent to this Office

Proceedings of the Special Meeting of the Shimoga Town Municipal Council held in the town hall on the 15th August 1929 at 5 P

==========

The Executive Engineer explained that the water supply Improvement works had been finally carried out and that the Contractors claims had not been fully settled as the Municipality had not made payments in regard to the estimates sanctioned by it for the water supply Improvement scheme (including the revised estimates)

The President explained that the amount of Improvement Estimate was not paid as the question of meeting the charges of the supplemental estimate was under correspondence It was also pointed out that the amount of Rs3500/- on account of the original estimate of Rs75000/- had since been paid and that account had been fully satisfied He also pointed out that as regards the supplemental estimate, the Municipal Council were unprepared for the same as the Council expected that the scheme would be kept within the original sanctioned estimate He however added that since the Municipal Council had agreed to bear 1/3 cost of the supplemental estimate also and submitted a recommendation to Government accordingly, the same may be paid On this the Council resolved as follows -

Resolved that in view of the fact that the Executive Engineer, Water supply Division urges that the contractors claims are pending for a long time and the Department is being dunned for payment, 1/3 cost of the supplemental estimate amounting to Rs1647/- be paid at once pending final orders of Government on the representation submitted by the Municipal Council as per their resolution at the meeting held on the 30th May 1929"
